Statistics show that 1 out of every 3 diagnosed cancers in the U.S. is breast cancer – so chances are that you, one of your friends or coworkers have been directly or indirectly touched by this disease.

With this diagnosis brings words like Biopsy, Cancer, Lumpectomy, Chemotherapy and Radiation into the forefront and radically changes one's life forever. **I Have Wings**, together with you, helps those who don't have the resources for the things they need during this time of sacrifice and pain and are changing those dreaded words to new ones... **Grateful, Quality of Life & Survival!**

Mission: The 3 E's

I Have Wings Breast Cancer Foundation is actively involved in our community, volunteer driven, and offers assistance to individuals, families, or corporations when there is a breast cancer diagnosis.

Educate

Our Community

Through Wings Outreach, **IHW** reaches out to adults and youth with interactive presentations to corporations, churches, health fairs (elementary and high school), women's, youth, civic and senior groups. Our mission is simple: to educate on the facts, risks, and prevention of breast cancer. Our presentations are up to date, varied, and age appropriate. If you or your company would like to schedule a presentation, please go to www.ihavewings.org and click on the "How We Help" link.

Ease

Stress

Fighting cancer is stressful for the entire family. **I Have Wings** understands how individual needs and circumstances can change during this time. Based on that, our "No One Goes Solo" program provides emotional support and emergency assistance on a one on one basis. For more information, or assistance, go to www.ihavewings.org and click on "Assistance Request".

Endorse

Breast Cancer Research

Like you, **IHW** would like to eradicate breast cancer once and for all. That's why we support the efforts of Wood Hudson Cancer Research Laboratory (WH), Newport, KY. Our donation helps them study the cause, effect and treatment of breast cancer. For more information about Wood Hudson, go to www.ihavewings.org and click on the WH link on the bottom of the home page.

I Have Wings is a 501c3 tax exempt foundation. Please send your tax deductible donation to:

I Have Wings, PO Box 18502
Erlanger, KY 41018

Your generous support will help others meet the challenge of breast cancer and make it possible for the **I Have Wings** Cancer Foundation to continue providing emotional and financial services to women (and their families), who are actively undergoing breast cancer treatment. In addition, your sponsorship will allow us to continue providing health education programs, and group therapy.

"Thank you for supporting **I Have Wings** Breast Cancer Foundation. With your help, women will continue to be inspired to fight for life!"

I Have Wings Founder and Cancer Survivor, **Janet Chambers**
